That this House:

DEVASTATED by the clear and evident failure and dereliction of duty by the Ministry of Mines and Mining Development to effectively exercise ownership rights vested in the government's majority stake in Hwange Colliery Company Limited,

COMPLETELY WORRIED that this has led to the precipitous and absolute collapse of

[Days elapsed: 12]

Question proposed: That this House;

COGNISANT that due to the prevailing economic challenges and high levels of unemployment the vast majority of Zimbabweans have very limited disposable income;

AWARE that Section 76 of the Constitution makes access to health care a fundamental and inalienable right of every Zimbabwean and obliges the State to ensure that no person is refused emergency medical treatment in any health-care institution;

ALARMED at the prohibitive cost of blood in both public and private hospitals with a pint going for USD 140 on average which has made access to blood a preserve of the rich;

CONCERNED that the majority of Zimbabweans who require blood transfusions, particularly in district hospitals and clinics, are succumbing to avoidable deaths owing to their inability to afford blood;

FURTHER CONCERNED that though emergency medical treatment is a fundamental human right, health institutions are refusing to give needy patients' blood without prior payment yet the cost is beyond the reach of many;

DISTRESSED that blood transfusion in district hospitals and clinics is only available for expecting mothers and is not extended to victims of accidents and trauma who account for 35% of the national blood requirements;

MINDFUL that blood distribution by the National Blood Service Zimbabwe in 2014 marginally increased by 0.7% primarily due to depressed demand owing to the harsh economic conditions;

DISTURBED that the price of blood in Zimbabwe does not compare favourably with the price of blood regionally;

NOW THEREFORE, call upon the Executive to:

- (a) Subsidize the cost of blood to save lives by ensuring that it is available for all needy patients at private and public hospitals;
 - (b) To de-centralise the blood bank by establishing a blood bank at all district hospitals and clinics;
 - (c) To raise awareness on the importance of donating blood particularly among adults who account for only 20% of the national blood donations yet use 80% of the blood so donated- *Hon. Nduna*.
42. Adjourned debate on motion on human trafficking of persons in Zimbabwe (*Reinstated 19th May, 2016- Hon. Nyamupinga*)

[Days elapsed: 13]

DISTURBED by the increase in cases of human trafficking in Zimbabwe, particularly girls and young women;

ALARMED by the recent case of over 150 women who were reportedly stranded in Kuwait after they were lured to that country by a syndicate of human traffickers, on the pretext that they would get lucrative jobs;

NOW, THEREFORE, this House resolves that:

- (b) Government expedites investigations by the Inter-Ministerial Committee and ensure urgent repatriation of all the women who are currently stranded in Kuwait under slavery conditions;
- (b) Perpetrators of these heinous acts must face the full wrath of the law;
- (c) The Ministry of Home Affairs must urgently conduct awareness programmes on human trafficking and educate the unsuspecting public, especially the youth about the dangers of human trafficking.
- (d) That the Ministry of Foreign Affairs should urgently write to the Kuwait Foreign Affairs Ministry requesting Kuwait authorities to ban the issue of Article 20 Visas which allows Kuwait employers to hire Zimbabwean citizens under slave conditions.
- (e) That the Zimbabwean Embassy in Kuwait be allocated urgently sufficient financial resources to take care of the feeding and repatriation of the affected young ladies - *Hon. Nyamupinga*.

Amendment proposed by Hon Nyamupinga:

- (f) The government must urgently develop a comprehensive National Strategy and fight human trafficking; and
