[Time elapsed: 2 hour 06 minutes]

Question again proposed: That a respectful address be presented to the President of Zimbabwe as follows: –

May it please you, your Excellency, the President:

We, the Members of Parliament of Zimbabwe desire to express our loyalty to Zimbabwe and beg leave to offer our respectful thanks for the speech, which you have been pleased to address to Parliament- **Hon. Sen. S. K. Moyo.**

4. Adjourned debate on motion on the National Drug Policy and legislative framework to effectively regulate drug use. (*Adjourned 9th October, 2018- Hon. Timveos*).

[Day elapsed: 1]

Question again proposed: That this House:

NOTING that a National Drug Policy is critical in ensuring that all drugs in the national drug distribution system are safe, efficacious, effective and of good quality whilst it also strengthens administrative, and regulatory controls of the same;

CONCERNED that the existing legal framework, such as the Criminal Law (Codification & Reform), the Dangerous Drugs Act and the Medicines and Allied Substances Act are either outdated or do not sufficiently provide for procurement and use of drugs;

NOTING that these current laws criminalize drug and substance use resulting in drug users fearing to seek treatment for TB and HIV infections;

AWARE that, decriminalization of drug use and drug policy reform as adopted globally by other countries are vital strategies to addressing the drug problem;

NOW, THEREFORE, calls upon Government to come up with a national drug policy and legislative framework that is grounded in science, public health and human rights to effectively minimize the effects of drug use within communities-*Hon Timveos*.

On the motion of Hon. Sen. Timveos, seconded by Hon. Sen. Ncube: Debate adjourned until tomorrow.

5. Adjourned debate on motion on finding solutions to challenges associated with vending. (*Adjourned 9th October, 2018- Hon Chabuka*).

[Day elapsed: 1]

Question again proposed: That this House:

NOTING that vending has since become the main source of livelihood due to high levels of unemployment in the country;

SADDENED by the heavy handedness on vendors by armed police which has not spared the general public going about their businesses especially in the central business district in urban areas;

Now, therefore, calls upon Government;

- (a) To engage in dialogue with vendors and their associations in an effort to finding a lasting solution to the problems of vending; and

To construct proper vending stalls at easily accessible sites-*Hon. Chabuka*

On the motion of Hon. Sen. Chabuka, seconded by Hon. Sen. Timveos: Debate adjourned until tomorrow.

6. Hon. Sen. Mwonzora, seconded by Hon. Sen. Shoko, moved: That this House-

RECALLING that during the historic constitution making process and the subsequent constitutional referendum in 2013, the people of Zimbabwe unequivocally endorsed the principle of devolution of power and the transformation of the Zimbabwean State from a two tier to a three tier state;

NOTING that our Constitution makes provision for the election of Provincial Councils as well as the specific manner of the election of the Provincial Council leadership;

ACKNOWLEDGING that the current government has stated at least on paper that it is committed to implementing devolution in the current dispensation;

RECOGNISING the fundamental constitutional principle of the sovereignty of the people and the important fact that devolution is widely regarded by Zimbabweans as the answer to uneven regional development in the country;

ALSO RECOGNISING that the people of Zimbabwe elected their Members of the Provincial Councils on the 30th of July, 2018, which Members are yet to be sworn into office:

NOW, THEREFORE, Calls upon the Government to:

- (a) Urgently bring a bill to provide for the Devolution, *inter alia* to provide for the key administrative and other processes in the Provincial Councils including the election for the heads of those Councils within 2 months.
- (b) Abolish the post of Minister of State for Provincial Affairs as they compromise the full implementation of devolution of power.
- (c) Swear into office all the members of the provincial councils immediately and define their conditions of service and other mechanisms to make them more functionally efficient.
- (d) Provide budgetary support to the Provincial Councils.

On the motion of Hon. Sen. Mwonzora, seconded by Hon. Sen. Chinake: Debate adjourned until tomorrow.

7. On the motion of the Minister of State for Mashonaland East Province: The Senate adjourned at twenty-one minutes past four o'clock pm.

M. M. CHINOMONA,
President of the Senate.
